The Spy's Guide: Office Espionage : how to Bug a Meeting, Booby-trap Your Briefcase, Infiltrate the Competition and More, H. Keith Melton, Craig Piligian, Quirk Books, 2003, 1931686602, 9781931686600, 165 pages. Advance Your Career--With Espionage! In today's business world, information is everything--and no one gathers information more effectively than spies. So why not bring real spying techniques into your workplace? The same tactics developed by professional intelligence agents can be used at businesses of any size to help you get ahead fast! The Spy's Guide: Office Espionage features illustrated instructions on planting "bugs," disguising your identity at a trade show, sending anonymous e-mails, and much more. You'll also discover techniques for: encrypting your address book, photographing confidential documents, reassembling shredded reports, securing your desk, using invisible inks and much more! The authors also share the real-life exploits of professional spies in the CIA, the KGB, Fortune 500 companies, and other business settings. Now put these tactics to work for yourself!.
